

2026 SPONSORSHIP PACKAGE

THE GROVE YOUTH WELLNESS HUBS ONTARIO

WHY YOUR SUPPORT MATTERS?

Because every young person deserves a place to feel safe, supported, and seen.

The Grove Youth Wellness Hubs Ontario is more than just a service—it's a lifeline. Nearly half of youth have shared that without the hub, they would have nowhere else to turn.

Young people are not only finding help—they're finding hope.

The Grove makes it possible:

- 200 youth visit our Grove sites each day!
- 40% of youth receive same-day clinical support
- 80% of youth receive care within 72 hours
- No waitlists. No delays. Just immediate, compassionate care when it's needed most.

41.5% of youth report noticeable improvement in their mental health after visiting The Grove. They're not just getting through the day—lives are transformed.

Be Part of the Change

Your support of Mask Off 2026 isn't just about one night—it's about showing youth across Guelph and Wellington County that they matter.

That someone is listening. That someone cares.

Let's unmask the stigma. Let's build a future where youth can thrive!

Together, we can be the difference.

Mask Off 2026

Bridgerton Masquerade Ball

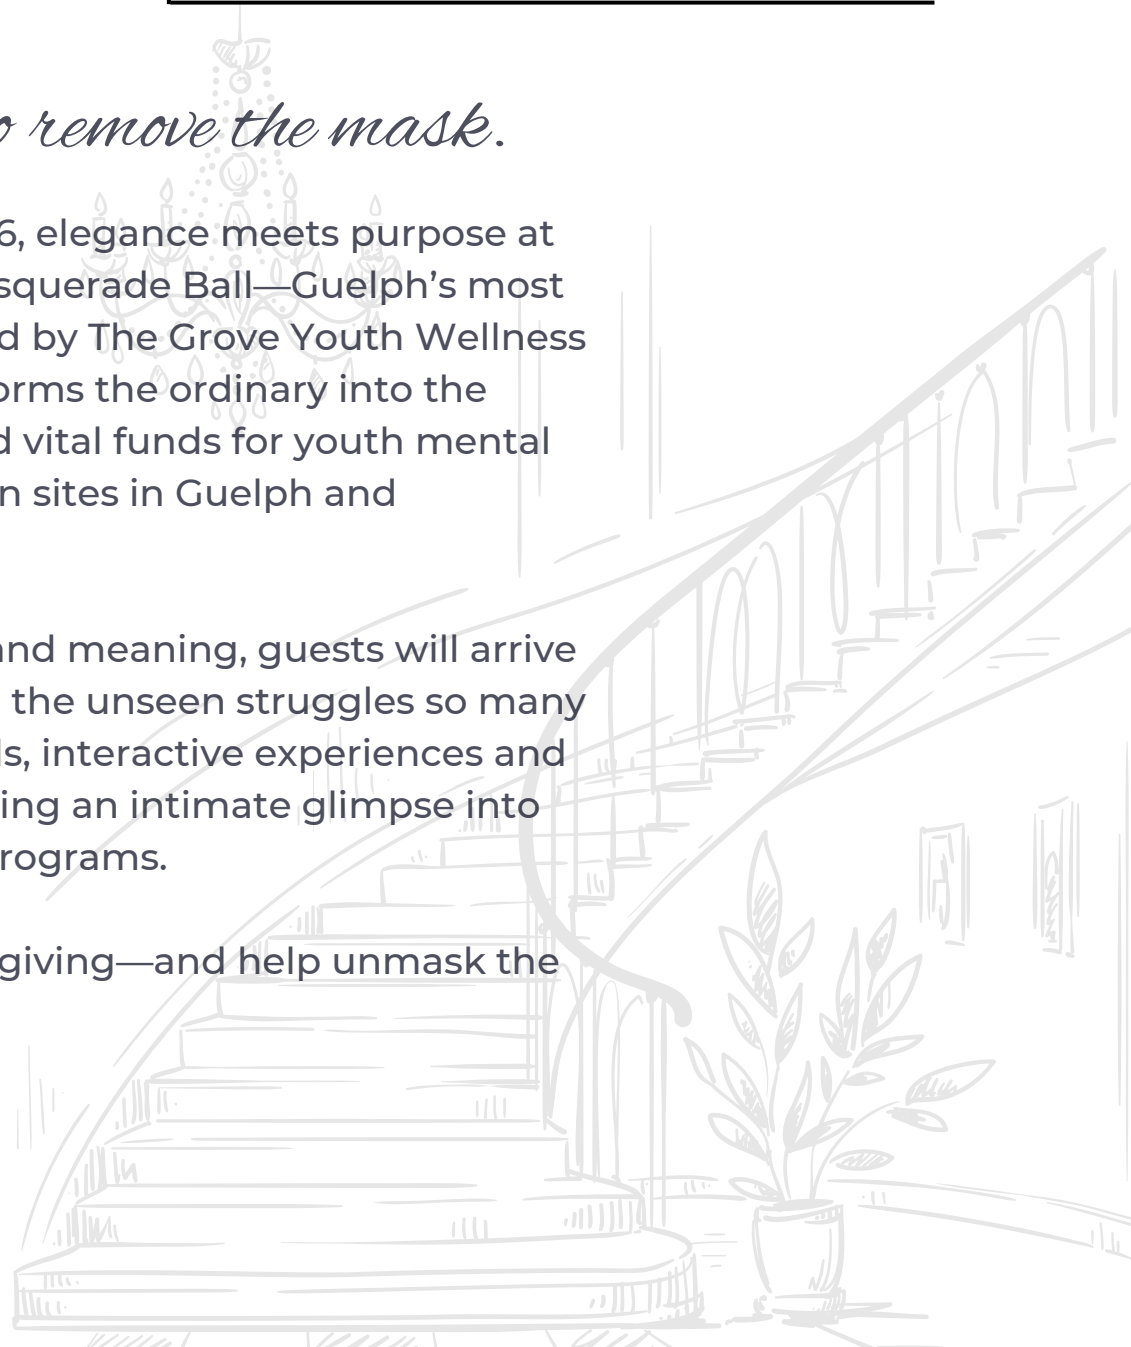

You are cordially invited to remove the mask.

On the evening of Saturday, March 7, 2026, elegance meets purpose at the sixth annual Mask Off: Bridgerton Masquerade Ball—Guelph's most enchanting gala for mental health. Hosted by The Grove Youth Wellness Hubs Ontario, this signature event transforms the ordinary into the extraordinary, raising both awareness and vital funds for youth mental health and wellness supports across seven sites in Guelph and Wellington County.

Set within a world of opulence, mystery, and meaning, guests will arrive in lavish disguise, each mask symbolizing the unseen struggles so many youth carry in silence. As the night unfolds, interactive experiences and powerful storytelling will lift the veil, offering an intimate glimpse into the impact of The Grove's life-changing programs.

Join us for a night where glamour meets giving—and help unmask the stigma around youth mental health.

Tickets on sale November 2025.
